THREE CHARGED IN DOG DRIVE

Representatives of the state dog law enforcement division opened a drive Wednesday on all unlicensed dogs in Adams county, and filed charges against three residents of the southwestern part of the county.

Cited for harboring unlicensed dogs were Elmer Sites, Glenn E. Martin and Harold E. Koppel, all of Fairfield R. 1. The charges were filed before Justice of the Peace John H. Basehore. The three defendants were ordered to appear for a hearing on March 26. Martin appeared Wednesday and paid a fine of \$5 and costs.

The campaign in the county against owners, or harborers of dogs, who have failed to take out licenses for their animals is being conducted by Harry E. Oakes, Wrightsville, dog law investigator for Adams and York counties, assisted by S. P. Dinley, investigator for Cumberland and Perry counties.

The drive was started in the Fairfield area, authorities said, because of a number of claims filed with the state by farmers asking payment for sheep killed by dogs in this section of the county. It will extend, however, throughout the remainder of the county.

Four County Men Join Armed Forces

Four Adams county men have enlisted in the army and air force, according to S/Sgt. Edwin Thomas, in charge of the local recruiting station.

Clyde E. Good, 18, son of Mr. and Mrs. Robert C. Good, 69 Crouse Park, Littlestown, enlisted in the air force for technical training as a cook. Prior to enlistment he was employed at Bankert's restaurant in Littlestown.

Marion B. Bay, 26, husband of Mrs. Gladys Bay, 124 North King street, Littlestown, enlisted in the air force for specialized training as a tank truck driver. He is a veteran of four years service in the navy.

John H. Anzenberger, Jr., 17, son of Mr. and Mrs. John Anzenberger, 327 York street, enlisted in the army for technical training in mechanics. He was employed at the Gettysburg Furniture factory.

Kenneth R. Brough, 17, son of Mr. and Mrs. Lloyd W. Brough, Gardners R. 2, enlisted in the army for technical training in mechanics.

BAN PARKING ON HIGHWAY AT TUNNEL DIGGING

Parking is prohibited along the highway near Poundtandale, the state highway announced today.

"No-parking" signs have been placed along a one-mile stretch of the road from Poundtandale southward to "correct a situation that was causing hazardous driving conditions," J. William Kendeheart, local highway department superintendent, said today.

Hundreds of motorists parked along the highways to watch work on construction of a tunnel in the nearby "Beard Lot" hill which has been taken over by the government as an addition to Camp Ritchie. "Lots of them even brought lunches," Kendeheart said.

State Controls Road

The heavy traffic and the parking caused a double hazard, Kendeheart said. The road, once the main route to Waynesboro, was turned over to the township when the Sunshine Trail was opened. With the closing of the Sunshine Trail because of the Beard Lot operations the state again took over maintenance of the old road as a detour.

Originally an 18 foot road, the highway was widened by the Hamilton township supervisors when they stoned and oiled the area. Under traffic conditions as they were then, the stoning of the berms held up well, Kendeheart said, when heavy trucks began to use the road, together with the freezing and thawing during the winter, plus the parking which forced the regular traffic to use the berms to an even larger extent, "it made the edges of the road rather rugged," Kendeheart added.

Winter Damage Heavy

The winter weather has caused damage to highways generally throughout the county. "The alternate freezing and thawing has been the worst in the past seven or eight years," the highway superintendent declared.

Kendeheart also announced plans to place stone this summer on the 54 miles of earth road in Adams county state control. Five hundred tons of stone per mile will be placed on the roads in order to stabilize them, Kendeheart said. The stone will prevent rutting which has in the past made the roads practically impassable in wintertime.

Farmers Attend Breeders' Meeting

Twenty Adams county farmers attended the eighth annual meeting of the Southeastern Pennsylvania Artificial Breeding cooperative held Wednesday at the Pennsylvania Breeders Sales Pavilion at Lancaster.

The number of Adams county members increased from 295 to 321 during the past year, it was reported during the meeting. The cooperative serves 16 counties. Elected as directors were Earl L. Groff, Strasburg R. 1; George Schuchman, Elizabethtown; Lee M. Poorbaugh, York R. 3; William A. Reid, Oxford, and Wilbur Seipt, Lansdale.

Reports at the meeting showed 2,490 services to cattle in the herds of Adams county's members. Included in that group were 1,539 Holstein, 634 Guernsey and 221 Ayrshire. Income of the cooperative was listed as \$233,074.91 and expenses as \$176,706.

HOMEMAKERS TO MEET

The Homemakers' club of the Fairfield-Orrtanna section will meet Monday at 1:30 o'clock at the home of Mrs. Frank Yoder, Orrtanna. Fish cookery will be demonstrated by Miss Mary Jane Mickey, county home economics extension representative.

To all retail liquor and beer licensees of Adams county: There will be a special meeting at Lee-Meade Inn, 23 miles south of Gettysburg on Route #15, Sunday afternoon at 2 o'clock.

ADAMS CRIPPLED CHILDREN'S UNIT PLANS MEETING

Plans for an annual dinner meeting, set tentatively for April 11, were made at the March meeting of the Adams County Crippled Children's society Wednesday afternoon when 23 directors were re-elected and the election of officers was slated for the April session.

The society president, Dr. C. E. Bartholomew, said a committee on arrangements for the dinner will be appointed in the near future. The affair will be planned on a "dutch treat" basis.

Miss Elizabeth Evans, assistant treasurer and seal sale chairman, told the board Wednesday that current receipts from the Easter seal sale total \$1,336.30 and T. Henry Jablonski, field representative for the state Crippled Children's society, told the county group that the seal sale is going well throughout the state and is topping last year's receipts.

List Of Directors

The directors re-elected at Wednesday's session included the following from county communities: J. D. Miller, Biglerville; C. A. Willis and Mrs. Ira Henderson, Fairfield; Rev. A. W. Geigley, Virginia Mills; Miss Virginia Wright, Flora Dale; Charles C. Taylor, New Oxford; Wilbur A. Bankert, Littlestown; and David M. Dickson, Hanover, and the following from Gettysburg:

Dr. Bartholomew, Miss Evans, Fred G. Pfeffer, Mrs. Henry T. Bream, Miss Margaret McMillan, George F. Eberhart, Hugh C. McElheny, Mrs. Verna Myers, Dr. H. S. Fox, Frank N. Britcher, Mrs. J. F. Bushey, Mrs. Elizabeth Pennington, Walter R. Doud, Col. Thomas E. Peddy and Miss Christine Cunningham.

The treasurer's report listed a \$10 contribution from the Gettysburg National bank and showed \$188 spent last month for braces, shoes and medical supplies for cases under the society's care. The society ordered a bill for a pair of special shoes for a crippled youth paid.

"DISC JOCKEY" CONTEST FOR BOYS AT WGET

Twenty-five Adams county high school or college boys will have an opportunity to try their hands at "disc jockey" duties at WGET with the offer of a summer job at the local radio station as one of the prizes for the winner.

Earl C. Pace, station manager, announced today that the first 25 boys, enrolled in high school or college in this county, who register for the contest at the radio station by telephoning or mailing their registrations will be entered in the contest which opens Monday, March 26.

The program, "So You Want To Be A Disc Jockey?" will be heard each evening, Monday through Friday, from 6:15 to 6:30 p.m. with one contestant in full charge of the 15-minute musical program each evening. The contestant will select the music, introduce the numbers and read the commercials.

Girls' Contest Later

The contest will continue for five weeks with five boys performing each week. A committee will select a weekly winner and during the sixth week of the contest these five "weekly winners" will compete for first and second prizes.

First prize will be a table model radio-record player combination and the winner will be offered a summer job at WGET. The second prize winner will receive a portable radio.

Mr. Pace said the purpose of the program is to develop local "disc jockeys" and to give an opportunity to local young people with talent for radio work.

A similar contest will be conducted later for girls.

Registrations already are under way and will be closed when 25 boys have been enrolled, Mr. Pace said.

Tax Figures For East Berlin Filed

East Berlin residents paid \$18,745.14 in taxes during last year, the report of George D. Baker, tax collector for the borough, filed Tuesday with the county clerk of courts, reveals.

The taxes included \$5,924.84 for the borough, \$7,558.63 for the school district, \$3,647.45 for the county and \$1,742.22 for the institution district. The collection was made at a cost of \$599.69. Outstanding taxes totaled \$2,488.64.

Easter plants: Cinerarias at our greenhouse, \$1.25. We will have tulips, hyacinths, hydrangeas, azaleas, lilacs, cut flowers, carnations. Place your orders early! "When It's Flowers, Remember Ours!" Murray's Greenhouse, Harrisburg road, just beyond WGET.

Stevie, 3, Can Play With Angels

Detroit, March 15 (AP)—"Don't cry, Mommy — now Stevie can play with the angels," six-year-old Timmie Riddon gravely told his sorrowing mother yesterday.

It was just a short time after cancer had claimed the life of Timmie's brother, Stephen, 3.

Stephen died on his cot that had been pulled close to a bright Christmas tree—decorated to fulfill his dying wish.

In her grief Mrs. Helen Riddon, the mother, was thankful for a sort of miracle that let Stephen have one day without the pain that had tortured him for nearly a year. She recalled he played by the tree all day Tuesday "and I've never seen him happier."

Tuesday night, Mrs. Riddon said, he kissed his parents and brother and said: "I want to go to sleep now." He died 12 hours later.

FIREMEN VOTE \$50 TO COUNTY HOME AUXILIARY

The Gettysburg fire company, at its regular March meeting at the fire engine house Wednesday night, voted a contribution of \$50 to the Adams County Home auxiliary toward the purchase of a movie projector for the county home, and voted to pay the annual dues of \$1 in the auxiliary.

The action was taken on recommendation of the fire company's representatives on the auxiliary, Charles R. Rupp and Donald C. Stallsmith. Neither was able to be present at the meeting, and the report was presented by James S. Shenk.

Mr. Shenk, co-chairman of the committee for observance of the anniversary of the Battle of Gettysburg this summer, reported that the new automobile to be given away in connection with the celebration will be delivered within a week.

Pleds For Support

"This year's celebration, which will seek to raise money to help pay for a new fire truck, will be bigger and better in every respect than previous celebrations," Mr. Shenk said. "To insure its success, the general committee will need the fullest cooperation of every member of the fire company," he added.

William G. Weaver, president of the company, who presided at the meeting, and who is also co-chairman of the anniversary committee, reported on special events. Efforts are being made to obtain an army band for the Sunday evening concert and troops for the July 4 parade, he said. By popular demand of the firemen, Weaver will seek to have a demonstration by army jet fighter planes included in the celebration program.

Kitchen Renovated

Weaver reported that renovations in the kitchen at the engine house had been completed, at a cost of \$268.52. Harold "Sam" Helges, on leave of absence from the fire company for the past year, was granted an additional year's leave.

President Weaver asked for volunteers among the active members of the company who attend fires, to serve as fire police. Additional ones are needed to assist Charles W. Culp, Jr., chief of the fire police, he said. Those willing to serve were requested to notify President Weaver, Mr. Culp or William Mellors.

The president said that volunteers would be needed principally at rural fires. Police and other volunteers can handle traffic in Gettysburg, he said, pointing out that Arthur Buehler assists at West Middle and South Washington streets and L. C. Hamme at York and Stratton (Continued on Page 2)

Narcotics Smuggling, Perjury Charges Break In N. Y. Probe

New York, March 15 (AP)—Narcotics smuggling into the U.S. increased one year after vice king Charles "Lucky" Luciano was deported to Italy, Senate crime probes were told today.

Samuel Levine, an agent for the U.S. Bureau of Narcotics, testified that the flow of illegal drugs from Italy began rising sharply in 1947. "Was this one year after one Luciano was deported to that country?" the witness was asked.

"Yes," he said. Levine, the first witness on the fourth day of the committee's New York hearings, did not give Luciano's full name. But the one-time U.S. underworld power for years has been connected with the narcotics traffic.

The committee recently named him as the long-distance czar, or intermediary, between a Chicago crime syndicate and a New York-New Orleans crime axis ruled by gambler Frank Costello.

BIDS FOR FIRE TRUCK RANGE UP TO \$15,658

Bids for new fire trucks, submitted to the apparatus committee of the Gettysburg fire company Tuesday night, ranged from \$13,863.15 for an Oren pumper, manufactured at Roanoke, Va., to \$15,658.50 for an American LaFrance model, made in Elmira, N. Y., according to a report made at the regular fire company meeting in the engine house Wednesday night.

Two other proposals were received. The price for a Mack, made in Allentown was \$14,346 and a Maxim, manufactured at Westbrook, Mass., was \$14,362.85. No action was taken. William G. Weaver, president of the company, who presided said the committee will study the four proposals more thoroughly before action is taken.

Plan Special Meeting

A special meeting of the fire company will be called in the near future to take action, he said. Prices quoted are guaranteed for only 15 days, Weaver said. Francis Smith was added to the apparatus committee because of his technical knowledge of motor apparatus.

The companies which submitted prices manufacture the fire apparatus complete in their factories, Weaver said. The trucks are not assembled jobs. The specifications call for a pumper of 500 gallons pumping capacity per minute, with a 500-gallon booster tank, two booster lines and reels and high pressure "guns" for the booster lines. They will carry 1,000 feet of 1½ and 2½ inch hose.

Delivery dates promised by the manufacturers ranged from 120 days to six months.

MUSSELMAN'S EXPECT 400 TO ATTEND DINNER

More than 400 tomato growers are expected to attend the annual banquet-meeting of the C. H. Musselman company at the plant cafeteria Friday evening at 6:30 o'clock. The growers will be guests of the company.

To ensure full discussion of tomato problems, a list of possible questions was sent growers several weeks ago and additional questions are expected from the floor. Questions will be handled by a panel of experts under the guidance of a moderator. The panel will include County Agent M. T. "Dutch" Hartman; J. O. Dutt and Dr. R. S. Kirby, of Penn State college; Ronald Baltzley, of the state employment service, and E. R. Phiel, of the Federal State Inspection service. Growers on the floor will include Fred Griest, of Flora Dale; A. Dale Knouse, Biglerville R. D.; Emory Shaul, of Felton, and Harold Perry.

The Musselman company will be represented by John A. Hauser, president, and the technical staff. The moderator will be Atty. Edward B. Buleit. A turkey or fish dinner will be served.

Fifth District Meeting Monday

The regular monthly meeting of the Fifth District of the Young Peoples Council will be held next Monday evening at 8 o'clock at the Mt. Victory EUC church.

The Rev. Samuel M. Clarke, pastor of the Heidelsburg Lutheran charge, will be the speaker.

25TH ANNIVERSARY

Mr. and Mrs. Charles Sanders, South Washington street, are observing their 25th wedding anniversary today.

A surprise witness, former New York Telephone company employee James F. McLaughlin, told the crime committee that Costello several years ago paid him between \$300 and \$400 to check for phone wiretaps at the bigtime gambler's residence.

In earlier testimony yesterday, during three hours of questioning, Costello said he never paid any one to check for wire-tapping on his phone.

The conflicting statements prompted Sen. Estes Kefauver (D-Tenn.), committee chairman, to say: "As the matter now appears, it is impossible to reconcile the testimony of Mr. Costello and Mr. McLaughlin as to whether someone checked his wires. So on the basis of that, someone has committed perjury."

There will be a meeting of the Adams County Fish and Game association this evening at 8 o'clock in the court house.

Receive Call For 25 Men April 3

Local Selective Service Board No. 1 for Adams county today received a call for 25 men to report April 3 for induction in the armed services at New Cumberland.

The men will be directed to report at draft board headquarters on the second floor of the First National Bank building at 7 a.m. They will leave for New Cumberland by chartered bus at 7:30 a.m.

VFW VOTES \$25 CONTRIBUTION FOR RED CROSS

Post No. 15, Veterans of Foreign Wars voted a \$25 donation to the Red Cross at its regular meeting Wednesday evening at the post home, Carlisle street. Other donations approved were \$10 to the Heart fund and \$5 for the Association of the Blind. One new member, Clark E. Spence, Orrtanna, was elected.

Nominations for officers for the coming year are: commander, Leslie Fair, T. J. Collingsworth; senior vice-commander, John Rummel, Marvin Socia and John H. Drum; junior vice-commander, Eugene Trostle, Kenneth Stallsmith and Orlyn Hixon; quartermaster, Jack Berger, Clarence Swinn, Jr., and Francis Wisotzky; post advocate, Donald M. Scope and Charles Wolf; chaplain, Clyde Keefe and Donald Holland; trustee, John Hewitt. There were no nominations for the office of surgeon. Election of officers will be held at the next meeting, March 28.

District Meeting

Commander Sebastian A. Hafer announced that the next district meeting will be held at Chambersburg, April 1, and the bus which has been chartered will leave here at 1:00 p.m. The following district meeting will be held in Gettysburg.

Sgt. Raymond Strohm, chairman of the firing squad committee, reported that drills will start at the next meeting of the squad, March 27. A clam, shrimp and oyster feed will be held at the post house April 3.

"Welcome to Gettysburg" signs which had been authorized will be erected in the near future, it was reported by the Civic Betterment committee.

A letter from John H. Zimmerman, past commander of United Spanish War veterans, thanking the post for its cooperation with the Spanish War Veterans was read.

Commander Hafer announced that the post had offered its facilities for the Spanish War veterans state convention which will be held here this summer.

Twenty-nine members were in attendance at the meeting.

MUCH OF STATE GETS SNOWFALL

While much of Pennsylvania was hit by another wave of severe winter weather, Gettysburg escaped with a few snow flurries Wednesday evening while the temperature sank to 31 degrees. By 8:30 a.m. today it had climbed to 34 degrees.

Up to seven inches of snow fell in some sections of the state while sub-freezing temperatures made driving hazardous in Western Pennsylvania. At least 10 persons were injured in skidding crashes in the Pittsburgh district. Traffic was snarled during the early morning rush hour.

Philadelphia had a slight overnight rainfall. Snow flurries were reported in the Wilkes-Barre area. Mountain areas throughout the state had from two to seven inches of snow. Cresson reported five inches.

The Pittsburgh district had about one inch of snow, bringing the total snowfall to 70.7 inches. The record season snowfall in Pittsburgh was 78.5 inches in 1913-14.

Thomas Hemingway Leaves For OCS

Thomas D. Hemingway, 20, son of Mr. and Mrs. Horace E. Hemingway, of Syracuse, N. Y., formerly of Gettysburg, left Friday for Ft. George G. Meade to qualify for officer candidate school.

Mr. Hemingway is a graduate of Gettysburg high school. He attended Bucknell university for two years and enrolled last fall as a pre-law student at Dickinson college, Carlisle. A brother, Wallace Hemingway, has been in Korea since September with the third division.

SPORTSMEN TO MEET

There will be a meeting of the Adams County Fish and Game association this evening at 8 o'clock in the court house.

Officers Elected By Local Guides

Walter L. Reynolds, Baltimore street, a former president of the Gettysburg Battlefield Guides' association, again was elected president of the guides Wednesday evening at a meeting held in the Chamber of Commerce office on Baltimore street. He succeeds Clarence W. Swinn, East Lincoln avenue.

Rufus Bushman was re-elected vice president and Luther McDonnell was elected secretary-treasurer. Twenty-five guides were reported present.

Request of the Chamber of Commerce directors for a probe of the National Park office and the answer given by Dr. J. Walter Coleman, park superintendent, were discussed. President Reynolds said "no action will be taken until we see what is going on."

Some guides said a resolution was adopted.

PAGE FROM OLD BIBLE IS SHOWN CLUB MEMBERS

A page from one of the 46 copies known to be in existence of the original Gutenberg Bible, printed in Germany between 1450 and 1455, was displayed to members of the Women's Club of Gettysburg by Rev. Herbert H. Schmidt, seminary librarian, at a meeting of the club Wednesday afternoon in the seminary library.

With this page Rev. Schmidt also displayed the seminary's replica of the Gutenberg Bible, similar, he said, to the copy used by President Truman at his inauguration, and valued at \$5,000. Three hundred replicas of the Bible were printed. The seminary has No. 133.

Rev. Schmidt spoke on the subject "Dusting Off the Manuscripts," and displayed a number of other old and valuable volumes in the seminary library, in what he said was "an unloading of library treasures in Adams county."

Shows Original Certificate

Also shown was the original ordination certificate of Rev. Justus Falkner, the first Protestant minister ordained in this county, in New York city in 1703. He was pastor of a Lutheran church.

Other historical documents included one of the last letters written by the famous explorer, David Livingston, shortly before his last trip to Africa. It was donated to the seminary by Mrs. Elsie Singmaster Lewars, who had acquired it from a Livingston descendant in the course of an investigation of the burial place of Livingston's eldest son, Robert Moffat Livingston.

The latter, who fought in the Civil war with a regiment of New Hampshire volunteers, Rev. Schmidt said, was believed by some historians to be buried among the unknown dead in the Gettysburg National cemetery. Mrs. Lewars' investigations established that Livingston, who enlisted under the name of "Rupert Vincent," was buried instead at (Continued on Page 2)

Plan Training For Girl Scout Leaders

Plans for training courses for Girl Scout leaders were outlined Wednesday evening at a district meeting held at the Adams County Girl Scout office here.

Mrs. Romayne Pittenturf, York Springs, training chairman for the county Girl Scout council led the discussion on the plans for a four-hour orientation course to be held for all leaders

SIX U. S. AIRMEN RESCUED FROM FLOATING CAMP

Anchorage, Alaska, March 15 (AP)—Six Air Force men were snatched to safety from their floating camp site 130 miles north of the tip of Alaska in the Arctic ocean Monday, the Alaskan Air Command disclosed today.

A big grinding iceberg which looked like its nickname—Cathedral—was blamed.

The camp—an experimental air rescue station—had been established February 20 on a huge ice floe.

Sunday the icepack and an iceberg began to overlap, with huge chunks being broken off. When forced to depart, the men left behind all but a very few items.

Huts Are Damaged

Some of the Jamesway huts used as homes on the floating island had been damaged before a ski- and wheel-equipped C-47 transport plane picked up the men and took them to Barter Island, on the north Alaska coast, thence here.

Two of the eight men stationed at the camp had been flown out earlier on a re-supply mission. Personnel stationed at the "Polar Air Force Base" included Sgt. Donald H. Gardner, Clarendon, Pa.

The air force did not disclose which six were the last to be picked from the frigid floe.

The station was an experiment to determine the feasibility of establishing a semi-permanent rescue station in the polar area.

The station "island" is about eight miles in circumference.

Yesterday an aerial survey showed the movement of the ice had slowed down. The party plans to re-establish the camp as "soon as possible."

"GREENHANDS" MARKED TODAY

Fifteen members of the Mason and Dixon Chapter of the Future Farmers of America today were wearing their hair parted in the middle and slicked down with lard as part of their initiation into the "greenhand" degree of the FFA.

The slicked hair was part of the ceremony added to the initiation of the Fairfield high school FFA chapter members Wednesday evening at Fairfield by the Washington Township high school chapter of the FFA.

After giving the usual degree ceremony to the Fairfield youngsters, the Washington township officers, Robert Honodel, president; Barry Barlip, vice president; Eddie Bloom, secretary; Eddie Carbaugh, reporter; John Brown, treasurer; Robert Koons, sentinel; and Joseph Hess, advisor, decreed that for two days the new greenhands will wear their hair "country style" and will have one sleeve and one pantleg rolled up.

Officers of the Fairfield's Mason and Dixon chapter include Fred Sanders, president; Ira Carson, vice president; Harold Carson, reporter; Charles Deardoff, secretary; Raymond Kipe, treasurer and Robert Harbaugh, sentinel. Harry Miller is advisor. The new chapter was accepted into the Keystone FFA January 25.

The Fairfield area youths who underwent the degree include the officers and Thomas Brown, Thomas Dolly, Carl Folsinger, Eugene Funt, Eugene Harbaugh, William Harbaugh, Kenneth Hurley, Jesse Sanders and Richard Sorenson.

Leg Fractured In East Berlin Crash

A Harrisburg man suffered a broken leg at 10:30 o'clock this morning when a car in which he was a passenger collided with another vehicle in the square at East Berlin.

Joseph Radcliffe, 39, one of a group of salesmen from Harrisburg riding in a car driven by Lawrence Yost, Jr., 35, of Harrisburg, suffered a fracture of the left leg. He was treated by Dr. Leon Roos and removed to the Polyclinic hospital in Harrisburg in the Emig ambulance.

Sterling Myers, 23, Spring Grove R. D., driving a car owned by Albert Myers, same address, was uninjured. State police from the Gettysburg sub-station investigated. The Yost and Myers cars collided, it was said, due to failure of one of the traffic lights at the East Berlin Square.

Surprise Party For Girl Scout Leader

The Girl Scout Intermediate Troop No. 24 of Cashtown gave its leader, Mrs. Gladys V. Rebert, a surprise birthday party in place of the regular meeting Tuesday evening. She received several gifts. Refreshments were prepared and served by the scouts, games were played and songs sung. A contribution of \$1.50 was voted to the Juliette Low fund to be presented by Sue Stuckey.

Those in attendance included Mrs. Rebert, Mrs. George Dickinson, assistant leader, Mrs. Shovaker and daughter, Judy, Mrs. Paul Martz, Kathryn Fleming, Ethel Kump, Janet Stuckey, Mary Alice Johns, Marilyn Kump, Mary Ellen Martz, Kathryn Myers, Helen Myers and Nancy White.

Heavily Armed Cops Seek Wife Killer

Ashley, Pa., March 15 (AP)—Fifty heavily-armed state policemen, alert against any possible ambush, searched a thickly wooded area near here today for a Navy veteran of the Korean war wanted for killing his estranged wife, her father and brother-in-law.

Sgt. Charles A. Connolly said all officers assigned to the hunt for 22-year-old Edward Rovinski had been ordered to "take every precaution" because Rovinski was last seen carrying a rifle and an automatic pistol after the triple slaying late yesterday.

"We have no proof he is in there (the woods), but we are taking no chances," Connolly said.

Rovinski, Connolly said, opened fire late yesterday on a car in which his estranged wife was riding. The car crashed to a stop in a school yard and Rovinski, calmly reloading his rifle, killed his 22-year-old wife, Margaret; her father, Andrew Stuka, 55, and her brother-in-law, George Tomko, 33.

Nixon said he will continue to insist that a Senate committee investigating "influence peddling" get to the bottom of the matter. The government worker's boss promised to help.

Emmitsburg

SPECIAL EVENTS FOR LUTHERANS

A series of special services beginning Palm Sunday morning and continuing through Holy Week and culminating with a Festival of Music Easter Sunday is announced by the pastor, Rev. Philip Bower, of the Emmitsburg Lutheran church.

On Palm Sunday morning at 10:30 o'clock, a class of catechumens will be confirmed and new members received. The Chapel choir directed by Mrs. Clarence Bartholomew will sing two special anthems, "The Palms" with George McDonnell as soloist and "Fling Wide the Gates." On Palm Sunday evening at 7:30 o'clock the Sunday school will present an Easter play "Spring Has a Secret." About 30 children of the Sunday school, some of the young people and the Children's choir of 28 boys and girls will present the play. Keith Janicke is director of the choir and the play is being directed by Carroll E. Prock Jr., Harry Troxell and Mrs. Robert Daugherty.

Wednesday night of Holy Week, March 21, a service of public confession and absolution will be held in the church at this service of preparation for the Holy Communion. The Chapel choir will repeat the anthem, "Were You There?" On Holy Thursday night the traditional Holy Communion will be celebrated. Special music at the service will be a solo by George McDonnell, who will sing a special arrangement of "There Is a Green Hill Far Away."

A community Good Friday service will be held in the Lutheran church at 1:30 p.m. Meditations will be given at this service by Rev. Adam Grim, pastor of the Methodist church, and Rev. Charles Owen, pastor of the Presbyterian church. The service will be read by Rev. Edmund Welker of the Reformed church and Rev. Philip Bower. Members of all the four cooperating church choirs are asked to sing with the choir for this community service.

On Easter Sunday, March 25, services begin 15 minutes earlier than usual or at 10:15 a.m. and will include Easter hymn singing by the congregation, several Easter anthems by the Chapel choir, a short Easter message by the pastor and the Holy Communion.

On Sunday the regular meeting of St. Joseph's High School Alumni association was called to order by President Guy Baker, Jr. The annual Senior-Alumni banquet, Thursday evening, May 3, was discussed. It will be held at 6:30 p.m. at the White House Inn. The dance following will last from 9 to 1 and the entire affair will be semi-formal.

The seniors of St. Joseph's high school will be formally inducted into the Alumni association. The seniors and alumni members of St. Joseph's are allowed to bring only one guest each to the banquet. The Alumni members may invite as many guests to the dance as they wish. George Greco was appointed to contact an orchestra for the dance. The secretary was asked to send a letter to alumni and seniors with an enclosure for reservations to be sent back to the banquet committee.

Mrs. Nancy Danner was appointed to head a committee for a food sale which will be held April 14 at the firemen's hall. All alumni members are requested to help Mrs. Danner. Edward Houck and George Greco were appointed to represent the Alumni association at the coming meeting to discuss a community hall for Emmitsburg. It was urged that as many members as possible participate in the minstrel to be given by the congregation of St. Joseph's church. Nomination and election of officers for the coming year will be held at the next regular meeting April 15 at 2 p.m.

Mr. and Mrs. Albert Kelly and children, of Dundalk, Md., spent several days with Mrs. Kelly's parents, Mr. and Mrs. Charles D. Gillelan. Carol Kelly, daughter of Mr. and Mrs. Kelly, underwent a tonsilectomy on Monday at the Warner hospital.

Mr. and Mrs. Edward Clingan, Baltimore, announce the birth of a daughter on Monday. Mrs. Clingan is the former Emabel Fuss, daughter of Mr. and Mrs. Charles Fuss.

Upper Communities

Telephone Mrs. Walton, Biglerville No. 8

The Women's Missionary society of Trinity Lutheran church, Arendtsville, will celebrate the 40th anniversary of its organization at a special meeting this evening at 7:30 o'clock at the church. All charter members have been invited to attend. Special guests will include Mr. and Mrs. Samuel Schmitthenner, who have been assigned to missionary work in India after Mr. Schmitthenner's graduation from the Lutheran Theological seminary, Gettysburg, and Mr. and Mrs. Edwin Wentz, who will report for service in Japan after the completion of Mr. Wentz's seminary course.

Mr. and Mrs. Donald Horst have moved from Mrs. George Deardoff's apartment on South Main street, Biglerville, to an apartment owned by Mrs. J. A. Dentler on West York street. Mr. and Mrs. Ellis Campbell and son, Robert, who have been making their home with Mrs. Campbell's father, M. O. Deardoff, Gettysburg road, will move into the apartment vacated by the Horsts.

Mr. and Mrs. Burton Wolff entertained recently at their home near Arendtsville, Mr. and Mrs. Irving Willard, Hershey, and Mrs. Martha Edgar and son, Gene, and daughter, Sue, Palmyra.

Children up to six years of age from Arendtsville, Aspers, Bendersville and the neighboring communities, are invited to attend an egg hunt which the members of the Women's Auxiliary of the Ira E. Lady Post No. 262, American Legion, will hold Thursday afternoon, March 22, at 2 o'clock at the post home in Biglerville.

Mrs. Howard Guise, Mrs. Clair Clapsaddle and Mrs. Anne Cole Shields, members of the committee on arrangements, urge all children to come provided with baskets and take part in the hunt. In case of inclement weather, the hunt will be held the following day.

Class No. 3 of the Bendersville Methodist Sunday school will meet Friday evening at 7 o'clock at the home of Miss Mae McCauslin with Mrs. Clyde McCauslin as the co-hostess.

The Ever Ready class of Zion Reformed Sunday school, Arendtsville, taught by Bradford Peterson, held its March meeting Tuesday evening in the social rooms of the church. Mrs. George Taughnbaugh, Mrs. John Kunkle, Miss Alma Wert and Mrs. Charles Cuthill served as hostesses.

Cashtown Church To Receive Members

A class of seven young people will be received into the membership of Trinity Reformed church, Cashtown, at a special service of Confirmation Sunday at 7:30 p.m. The Rev. Nevin R. Frantz, pastor of the Arendtsville Reformed church and a former pastor of the Cashtown congregation, will be in charge of the service. The Rev. Mr. Frantz has been giving the class catechetical instruction for the last several months at the invitation of the consistory. This arrangement was made due to the congregation being without a pastor at present.

The following are members of the class: Nancy Lee Harmon, Nancy Louise Riggall, Carole Riggall, Howard Harmon, Glenn William Riggall, Jr., Richard John Sharrar and John William Mickley.

Washington, March 15 (AP)—Midnight tonight is the deadline for filing 1950 income tax returns, but it's pretty much a cinch that most of the 52,000,000 Americans who have to file them already have done so.

The withholding tax system instituted back in 1943 has put a terrific dent in the old American custom of waiting until the last minute to file a return which had to be accompanied by a cash payment.

KINER SHINES IN DEBUT AS FIRST SACKER

San Bernardino, March 15 (AP)—It would be a fairly safe bet today that Ralph Kiner has seen the last of the outfield.

The Pittsburgh Pirate slugger looked really good in his debut as a first-baseman against Cleveland here yesterday.

"He's just a natural born glove man, that's all," beamed Manager Billy Meyer after watching the big star scoop a low throw out of the dirt.

"I've said all along that if Zeke Bonura could lead the National league in fielding at first base, Ralph can play it good enough to suit me," Meyer added.

"We need badly to move him over there so we can get some more power into the outfield, and Ralph is willing to do anything that will help. He's a team man."

Kiner is going to try it for at least two weeks in exhibition games, and then a decision will be made. He had no especially hard fielding chances yesterday, but he handled everything thrown at him with ease and grace.

"The first game I ever played as a professional was at first base," the slugger recalled. "That was at Albany. Then, about eight or nine years ago I spelled Elbie Fletcher for a few games with this team."

"I liked it well enough then, but I don't much like this peach basket glove they use these days. That will take some getting used to. And then, of course, I want to see if it affects my hitting."

That is, of course, a very important factor in the proposed shift. Should Kiner show any signs of falling off from his 47-homer pace of last season, Meyer probably would shoot him back to the outfield in a hurry and play first base himself, if necessary.

In his second time up yesterday Kiner walloped a 400-foot triple off the center field fence, which caused the famed Babe Herman, now a Pirate coach, to remark:

"There's nothing to this stuff about not hitting as good at first base as in the outfield, no matter what Stan Musial says."

The reason Meyer finally has had to make the experiment is that Dale Cogan, the big sophomore he had counted upon to hold down first, is prime draft bait. So prime, in fact, that he is continuing his studies at U. S. C.

"The moment he comes out they'll take him," Billy explained.

Training Camp Briefs
Phoenix, Ariz., March 15 (AP)—Casey Stengel, manager of the New York Yankees, is impressed with the play of rookie third baseman Gil McDougald.

McDougald, most valuable player in the Texas league last season, has played every inning in the Yanks four exhibition games. He hit safely in every game for a .352 average, but his six hits were all singles.

Stengel, nevertheless, is looking at the youngster with much concern, since one of his regular third basemen, Bobby Brown, is interned at a hospital and may not be available for duty this season.

St. Petersburg, Fla., March 15 (AP)—Hardest worker in the Brooklyn Dodgers training camp is the flu bug. He's bitten many of the players, including Manager Chuck Dressen.

The latest to fall victim to Mr. Bug is Dan Bankhead. The strong right-hander was bedded yesterday by the virus, but his case isn't considered serious. He's expected to be out of action a week, however.

Clearwater, Fla., March 15 (AP)—The New York Giants will send Larry Jansen against the Philadelphia Phillies today in a bid to even the spring training series with the National league champions.

Opposing Jansen will be Ken Heintzelman, the Phils lefty who has shown signs of regaining the form that made him a 17-game winner in 1949.

The Phils beat the Giants in the first meeting between the clubs yesterday, 7-6, on successive home runs by Eddie Waitkus and Richie Ashburn. Waitkus' blow coming with the bases loaded.

West Palm Beach, Fla., March 15 (AP)—Jimmy Dykes, manager of the Philadelphia Athletics, has taken on the job of getting Umpire Joe Paparella into form for the 1951 season.

"Young man," Dykes greeted Paparella on his arrival at the A's training camp here, "have you ever been to spring training with me before?"

"No, sir," replied the arbiter, grinning.

"Then stick around and pay attention," Dykes commanded. "By the time we break camp, we'll have made an umpire out of you."

Paparella admitted he felt a little less yesterday with no Dykes to coach him. The A's had a day off. So did Paparella.

Milligan Added To Purdue Staff

Lafayette, Ind., March 15 (AP)—Coach Stu Holcomb's football staff at Purdue university was complete today with the naming of Walter (Mike) Milligan of Southern California as a line coach.

Milligan had been head coach at Pittsburgh three years before going to USC as an assistant last fall. A former Pitt player, he stated his coaching career at Pitt in 1934. After four years he moved to the University of Florida as line coach. He went to Tulsa in 1941 and after five years returned to Pitt as line coach. He took over at Pitt's head coach in 1947.

Nab Bootlegger For Old Indictment
Miami, Fla., March 15 (AP)—Prince D. Farrington, Sr., described by the FBI as the king of the bootleggers in the Williamsport, Pa., area, is in the Orange county jail in Orlando.

Farrington is being held pending his return to Scranton, Pa., to stand trial on a 1948 bootlegging indictment.

Edmund Mason, agent in charge of Miami's FBI office, said the Jersey Shore, Pa., man was arrested by two agents near Apopka, Fla., Tuesday.

Farrington was convicted in 1915 and 1937 of violating internal revenue laws and served sentences in Atlanta and Lewisburg, Pa., prisons.

He was released on \$1,500 bond to await trial on the Scranton indictment but the FBI said he packed his clothes and departed from Pennsylvania.

TO SWEAR IN UNIT
New Castle, Del., March 15 (AP)—The 512th troop carrier wing, a unit composed largely of men from eastern Pennsylvania, will be sworn into federal service at the New Castle air base today. The wing is commanded by Brig. Gen. A. M. Molthan, chairman of the board of Jacob Reeds sons of Philadelphia. The active duty assignment of the 512th has not been announced.

ALLENTOWN 5, FARRELL WIN PIAA VERDICTS

Harrisburg, March 15 (AP)—Two perennial contenders for the state Class A schoolboy basketball crown moved another step toward that goal last night.

Allentown's Canaries did it in a record-breaking way.

Farrell's Steelers were pressed for the honors they acquired.

The Canaries smashed records and the ambitions of St. Clair's five at Penn Palestra, 103 to 55 to annex the District 11 title.

Monessen's determined five pressured Farrell all the way but the Steelers captured the District 7 (WPIAL) title 40 to 37 on two hook shots and a foul by Julius McCoy.

The 103 points was the most ever scored by one team—high school or college at the Palestra. Villanova college held the old mark of 98.

Set New Records
Allentown's total also set a new tournament mark as did the combined score of 158 points. Bill Adams' 30 points bettered by six the individual mark for tournament play set by Frank Pfeiffer of Allentown against Homestead in 1946.

The 62 points scored by Allentown in the first half and the 37 in the second quarter also were new highs for championship play.

"The Canaries now meet Radnor's 'rags-to-riches' five at the Palestra Saturday night. The latter quintet surprised everyone but themselves in whipping Pottstown, 54 to 52, to annex District One honors.

Farrell's next opposition comes from Somerset and another nip-and-tuck daylight is anticipated.

In other action last night McAdoo beat Luzerne's aspirants 42 to 35 for the District Two Class B title. The champs now meet the winner of the Troy (District 4)-Clarks Summit (District 12) clash at LaPlume.

Class C action saw Pringle's District 2 titleholders stop the surge of Waymart's District 12 contenders, 65 to 49, while Fredonia (District 10) whacked Coudersport (District 9) 51 to 34.

Big Game Tonight
Tonight the tournament tension strikes at other courts in the state with the spotlight on Swoyersville's Sailors and Nanticoke's Nans in the battle for the District Two Class A title.

Faced by Joe Holup, a 6-foot, 5-inch center, Swoyersville whipped Wilkes-Barre Township, 103 to 59 on February 22 to earn their present position. The Sailors sport a 21-3 record with early season losses to Old Forge, Hazleton and Nanticoke.

Nanticoke, with a 20-5 mark, will seek to repeat their early season win and should prove formidable. The Nans won the Wyoming league title in a playoff with Berwick and then eliminated Old Forge's Lackawanna league champs on Monday, 45 to 39.

The winner of this tussle returns to action Monday night at Bucknell's Davis gymnasium to meet Bloomsburg's District Four title-holders.

Sharpshooters' District 9 winners clash with Clearfield of District 10 Friday night in another inter-district battle which promises to be close. The winner meets Westinghouse, holders of the District 8 title.

cast heard in Tokyo, said 100 allied troops were killed and two tanks were destroyed in the Seoul "battle." It also claimed that six American aircraft were shot down over the city.

On the east-central front, U. S. Seventh division troops won a day-long battle with Reds after ambushing the Communists in their own trap set up to wipe out the doughboys.

"We found a dead gink in every foxhole," said one G. I. after the clash. A body of a North Korean colonel was reported among the 42 Communist dead counted after the seven-hour fight.

A spokesman for the U. S. 10th corps said that despite the stiff Red resistance "all signs—existence of mines, roadblocks and delaying tactics—point to a continuing enemy withdrawal toward the 38th Parallel.

Citizens Cheers Allies
Patrols of the South Korean First division and the U. S. Third division entered Seoul Wednesday night. The South Koreans ran up their flag over the fire-blackened capitol building.

Of the normal 1,500,000 civilian population, only about 200,000 were left in the war-ravaged city.

The allies entered in strength Thursday.

At first all was quiet. Then the timid, frightened people came out of their wrecked houses by ones, by twos, by groups.

Word quickly spread that the United Nations soldiers were back. AP Correspondent Jim Becker, who went into the city Wednesday night and again Thursday, reported:

"The women threw themselves at our feet and sobbed hysterically. Tears coursed down the cheeks of bearded old men. Children battled for the right to grab our hands and touch us."

The city, Becker wrote, was a sorry sight.

In the last month Seoul was pounded by 1,600,000 rounds of artillery shells, poured into Red positions.

Sports Roundup

By HUGH FULLERTON, JR.
New York, March 15 (AP)—Listening to visitors in the big town: North Carolina writers say the reason Peabody Walker quit Wake Forest is that he decided "what's the use" when a college president vetoed a pay raise already approved by the athletic dept. . . . When public outcry made the prexy change his mind, it was too late. . . . Yale's Bob Hall adds: "We didn't do anything that hasn't been done to us when other colleges hired our coaches. Peabody will do us a lot of good."

Cleveland arena put out guarantees up to \$6,000 for college basketball doubleheaders which didn't draw flies. Word from there is that the Saturday night television out of New York was the killer. . . . Still with the 26-inch screens, army will string along with the NCAA and ECAC on the football "moratorium" unless some other school jumps the gun. "But you gotta protect yourself," an army spokesman adds.

WRONG PHEW!
When Paul Brown, the football coach, was visiting at Al (Red Tie) Sutphin's Florida retreat, he was introduced to Bill Tobin, Chicago Blackhawk's president. . . . Later, on the golf course, Tobin was moaning that his hockey team had just lost eleven games in a row and would finish last for the fifth straight season if it didn't improve. . . . "No team can finish last five years in a row," exclaimed Brown, whose teams still have to finish last once. . . . "Ours can," replied Bill. . . . "Well," said Brown, "that means you must have a lousy general manager. You should fire him and clean house."

Paul had neglected to learn that Tobin also is G.M. of the Blackhaws.

SPORTS BEFORE YOUR EYES
Leo Diegel, who is seriously ill at his North Hollywood, Calif., home, likes nothing better than to receive letters or cards from his old golfing pals. (It's 10624 Whipple St., if you're one of them.) And Scotty Christholm, who sees Diegel frequently, adds: "I show movies at his bedside every week, but he prefers to talk about Hagen, Sarazen, Kirkwood and Hogan. . . . And don't forget his birthday is April 27."

Training camp story is that no prospect can expect more than a \$15,000 bonus unless he's taller than six feet two. . . . Well, Bob Carpenter used to run a basketball team.

CLEARLY AT HAND

I have a friend who is forever worrying about what is going to happen in the future—and of course he has no idea as to what is going to happen. None of us are accurate prophets. We can live happily, and most profitably, by following out Carlyle's suggestion. He said: "Our duty is not to see what lies dimly at a distance, but to do what lies clearly at hand."

By doing that which lies clearly at hand we make progress. When we do this, light starts to creep in and before we realize the fact we, ourselves, have created a new mood and a new vision which often wipes out all worry as to the future. We must not fail to see that every act of our lives is a preparation for what may lie ahead.

The builder doesn't worry about the upper structure until he has made solid a good foundation. If we have a good character foundation we need have no worry as to what the structure of life may turn out to be. It will be just about what we decide and desire shall be above that foundation.

It's the task that lies clearly at hand that is the most important one for us each day of our lives. That done there are impetus and incentive poding us ahead. We then go ahead! It is inspiring to the study the lives of great men. In my newspaper I read of Edward T. McCormick, who used to be a newsboy in Tucson, Arizona. When he broke his leg the actual circulation of the Tucson Citizen went down, for a liberal part of it was distributed each day by the happy, inspiring McCormick. Later he educated himself, did many a job that faced him clearly at hand, not worrying about the future. April first he becomes president of the New York Cur exchange—at the age of 40!

There are workers at this moment, in fields, at desks, in laboratories, in shops, and stores, about whom none but those close at hand have any knowledge at all. They are doing the things that lie clearly at hand. Little are they concerned about the morrow for they are engaged in the work of today. Tomorrow their stories will appear in newspapers, magazines, on the radio and television!

Tomorrow Mr. Adams will talk on the subject: "For Their Love."

MATTER OF TASTE

Some foods I like and some I don't.
Some pies I'll eat and some I won't.
At lunch or dinner
A thick soup best appeals to me,
But some would drink it down
like tea
And like it thinner.

I like my steak cooked "medium rare"
A baked potato, opened, where I put a pat in
Of butter, just for flavor's sake.
Some want potatoes with their steak,
Creamed or au gratin.

So friends like spinach. I do not!
Of tastier foods I know a lot
And more delicious.
But I don't shout: "This stuff I hate!"
I merely leave it on my plate,
Not being vicious.

TEACHERS ASK \$200 BONUS AND SALARY BOOST

A teacher committee approached the members of the Littlestown Joint school board requesting a \$200 cost-of-living bonus at the March meeting, composed of Garnet E. King, in the office of the supervising principal, Paul E. King. The committee, composed of Garnet E. Schellhase, representing the Senior high school; Maurice E. Bream, representing the Junior high school, and Mrs. Esther R. Wolfe, representing the elementary school, appeared before the board with a signed petition by the teachers of the jointure.

They asked also that this be made a permanent part of the 1951-52 salary of every professional employee of the district.

This request was taken into consideration by the executive board and President Luther W. Ritter, who presided over the meeting, referred the matter to the teachers and finance committee. The committee will hold a special session at a future date and make their recommendations to the joint boards of the jointure.

Paul E. King presented the report of activities during the last month, at the schools as follows: The local schools together with four other schools of the county were allocated the privilege of purchasing surplus property supplies and Mr. King went with this group on March 2, to Harrisburg and purchased several band instruments, nurse and first aid supplies. Miss LeOra L. Heid and

Miss Dorothy Crabbs, of the English department, attended a speech clinic at Gettysburg college, on March 2. The monthly meeting of all grade school teachers in the jointure was held in the Littlestown grade school building on March 6, with Charles I. Raffensperger, assistant county superintendent of schools, in attendance. The local winners of the Adams county American Legion essay contest were Jack Mackley and Richard Marshman. The essays were written by the seniors of the P.O.D. class on the subject, "Government Of, By, For The People" and the winners were entitled to take a scholastic test at Gettysburg college on March 2. A number of visitors from the Shippensburg high school were among the audience of 600 at the Junior class play, "Our Miss Brooks," on March 8 and 10 in the high school auditorium.

The members of the high school guidance classes, accompanied by their teachers, were taken on a tour of the Windsor Shoe company, Inc. Members of the Industrial Art classes attended the builders' show in the farm show building at Harrisburg last week. The group was accompanied by Teachers Charles E. Tressler and George H. Dillow. The total amount raised for the Heart fund, sponsored by the school, was \$16.19. On Friday, March 9, an officer of the United States Navy, York Recruiting office, spoke to the senior boys. The regular six weeks report cards were issued on Monday in the Junior-Senior high school, while letter reports for grades one and two were issued at all schools in the jointure on Wednesday, March 14, Mr. King reported.

The cafeteria reported serving a total of 5,672 meals during the month of February with an average of 284 meals per day.

The report of Brenda B. Walker, school nurse, listed 85 first aid treatments, 15 home calls and two

consultations with parents at the school, during the month. Dental examinations in the jointure have been completed with a total of 496 examinations having been made by Dr. Richard M. Phreaner. Glasses were furnished for one student during the month by the Littlestown Lions club. Home bound instruction was approved for one student in the Mt. Joy township district. Measles and gripe were prevalent in the primary grades during the past month. Mrs. Walker attended a meeting at Spry for the York, Adams and Franklin county school nurses, to hear a discussion on the nurse's part in atomic defense.

Treasurer's Report

In absence of the treasurer, John Schwartz, the following report was presented by the secretary, Henry E. Waltman: receipts for the month of February amounted to \$13,164.25, while the expenditures for the month were: General control, \$53.67, cost of instruction, \$9,504.50, auxiliary agencies, \$1,391.12, co-ordinate activities, \$227.27, operation of plants, \$1,058.41, maintenance of

plants, \$399.98, fixed charges, \$363.51 and capital outlay, \$654.65, a total of \$13,653.11.

Those in attendance at the meeting of the executive board were Wilbur E. Mackley, Elmer E. Furlow, Preston Crabbs, David S. Little, George Worley, supervising principal; Paul E. King, and secretary, Henry E. Waltman.

The individual boards met following the executive meeting. Carl H. Baumgardner, president, was in charge at the meeting of the Littlestown board. Secretary Luther W. Ritter reported receipts received from Pennsylvania transportation, \$3,465.17; receipts received from LeRoy W. Bish, tax collector, \$345.45 and taxes for the months of January and March, \$71.25; expenditures, to the Littlestown joint school system, \$5,359.96. Present at the meeting in addition to President Baumgardner and Secretary Ritter were Henry E. Waltman, Wilbur E. Mackley and Lloyd L. Crouse.

The next meeting of the Littlestown joint school board will be held Tuesday, April 10, with the executive

KIDNEYS MUST REMOVE EXCESS WASTE

When kidney function slows down, many folks complain of nagging backache, loss of pep and energy, headaches and dizziness. Don't suffer longer with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

When Nasty Colds Leave You WEAK AND RUNDOWN HADACOL CAN HELP

If Your System Lacks Vitamins B₁, B₂, Niacin and Iron, Which HADACOL Contains

When a nasty cold leaves you in a weakened and run-down condition, HADACOL can help build you up if your system is lacking in Vitamins B₁, B₂, Niacin and Iron, important elements contained in HADACOL. Many folks have found that this fine family formula helps overcome these deficiencies and soon they feel good again.

Mrs. A. Jimenez, 141 East 13th St., Port Arthur, Texas, gave HADACOL to her young son, Floyd, after he had recovered from a bad cold when she heard how HADACOL was helping folks suffering from deficiencies of Vitamins B₁, B₂, Niacin and Iron. It helped him so much in regaining his strength and energy that Mrs. Jimenez says she is always going to have HADACOL on hand for Floyd.

Here is Mrs. Jimenez's statement:

"My son Floyd was very subject to colds. He's eleven years old, and he was rundown, didn't seem to have an appetite at all and just simply lacked energy. I heard about HADACOL on the radio, and it was about this time that Floyd was just

recovering from a siege of a bad cold.

He was very run-down, lacked an appetite, and I started giving him HADACOL. After about a bottle and a half I could notice an improvement. His appetite picked up and he had increased strength. I think HADACOL has done wonders for Floyd, and can't praise it enough. I have continued to give him HADACOL and intend to always have it on hand for Floyd."

Floyd Jimenez

Men, women and children of all ages are praising HADACOL for supplying Vitamins B₁, B₂, Niacin and Iron which their systems lacked. Don't let that "After-Cold Run-down Feeling" drag you down—HADACOL can help you too, if you suffer such deficiencies.

Sold on a strict money-back guarantee. You'll feel great after the first few bottles you take or your money back. Trial size, \$1.25; large family economy size, \$3.50.

VIGILANT HOSE
PLACED ORDER
FOR FIRE ENGINE

The Vigilant Hose company of Emmitsburg has ordered a new fire engine, with delivery expected in late August or early September.

Decision to purchase the \$11,000 apparatus was made at a meeting of the firemen Tuesday evening at 8 o'clock at the Emmitsburg fire hall.

William Harris, salesman for the Glenn D. Culbert company, reported that the fire engine would be delivered to the Emmitsburg firemen 120 days after the Culbert company receives the Ford chassis. Delivery, Herbert Roger, of the fire company, said, will be made of the 178-inch long Ford chassis to the Culbert company by the beginning of April.

Plan Fund Drive
The new truck will have a 500-gallon per minute pump, a 500-gallon booster tank, two of the latest high pressure fog nozzles, a compartment for a portable pump, another compartment for portable floodlights, space for 1000 feet of 2 1/2-inch hose and space for 500 feet of 1 1/2-inch hose. It will also have room for ten firemen to stand across the rear of the truck and will have racks for boots and coats.

Roger said the company plans to sell its 1930 fire truck when the new piece of apparatus arrives. The company has two trucks at present, one purchased in 1945 and the 1930 fire engine.

To help pay for the new engine, a fund drive will be inaugurated by the company sometime in April.

J. W. Rowe reported at the meeting that the borough of Emmitsburg has given the water company authority to place two additional fire plugs in the western part of the town.

A resolution asking the improvement of Route 15 north and south of Emmitsburg was adopted by the firemen and ordered to be sent to the state roads commission.

A committee appointed to purchase red lights and sirens for installation around the square reported that they had arrived and will be installed as soon as the wire is available. The lights and sirens are to be used to halt traffic in the desired directions in event of fires.

J. Ralph McDonnell was elected to membership in the fire company and an application for membership was received from Charles William Weidner. The group ordered a letter of thanks to be written to Thomas J. Frailey for legal work he has done free of charge for the fire company.

RUSSIA GIVEN
U. S. WARNING

Key West, Fla., March 15 (AP)—Russia had notice today from President Truman that the United States is rearming primarily to prevent war but also "to meet such a conflict if it is forced upon us."

He again challenged the Communists to agree upon a foolproof control of atomic and other weapons to enable the world to find peace.

Until this is done, he said, "it is essential to our national security that we build up our defenses as quickly and vigorously as possible."

Mr. Truman gave this definition of the United States' rearmament program in a letter made public at the little White House here last night.

"It is, above all, an effort to prevent a world conflict, while at the same time it is an effort to prepare our defenses to meet such a conflict if it is forced upon us. What we are striving for is peace and international order."

Approve Plan For
Oil Nationalization

Tehran, Iran, March 15 (AP)—Iran's parliament unanimously approved today a proposal to nationalize all the nation's oil resources, including the wells of the huge, British-owned Anglo-Iranian Oil company.

By a standing vote the Majlis (parliament) confirmed the decision of a special parliamentary oil commission endorsing nationalization and gave the commission another two months in which to work out specific details.

Some deputies said there still was a slim possibility that actual nationalization might be averted by negotiations between the Anglo-Iranian company and the government. But the vote today put parliament on record as approving the take-over.

(A British foreign office spokesman in London, noting the oil commission had been given two months to work out nationalization details, said "nothing is likely to happen immediately." He indicated Britain feels Iran does not have the skilled technical men to actually operate the company. A spokesman for the oil company in London declined immediate comment.)

WOULD CUT OUT ASSESSMENTS AT LOCAL LEVEL

Harrisburg, March 15 (AP) — Rep. Adam T. Bower (R-Northumberland) has a plan which he says could save 48 Pennsylvania counties thousands of dollars each year in expenses.

Bower said today his plan also would do much toward eliminating present inequities in tax rates in many counties.

The plan would empower fifth through eighth class counties to shift all local tax assessment activities from local governments to the county governments.

Under present law, tax assessing responsibility in first through fourth class counties rests with the county government. However, in fifth through eighth class counties the responsibility rests with local authorities. There are 48 counties included in the fifth through eighth class category.

Local Method Costly
Bower declared that the local method of assessing taxes is "costly and gives rise to great inequality of assessment rates."

"At the present time," Bower stated, "every community in fifth through eighth class counties handles its own tax assessments, requiring a small army of assessors in each county."

He said that if these counties were permitted to shift assessing duties to the county governments, they could eliminate scores of assessors and get a more uniform assessment rate throughout their areas.

Cites Example
Citing his own county of Northumberland as an example, he said that if assessing duties in Northumberland could be switched to the county government it would save up to \$30,000 a year.

Bower said several forms of legislation enabling such a switch are now under consideration. One would give all counties the option to decide for themselves whether to adopt the county or local assessment method. Another would be to establish a new rating classification for counties. The latter plan would reduce population requirements for the various classes of counties, permitting Northumberland and similar size counties to step up to the fourth class level and qualify for the county assessment method.

Bower said more form of legislation will be introduced in the general assembly after county officers and other interested groups reach a decision on a plan.

Former Sheriff Of Berks County Dies

Reading, Pa., March 15 (AP) — Funeral services for James J. Merkel, Berks county sheriff from 1916 to 1920, will be held next Monday. Merkel, 84, died yesterday in St. Joseph's hospital.

As a deputy under his predecessor, Sheriff Thomas G. Werely, Merkel officiated at the last hanging in Berks county.

In December, 1928, he was named parole and probation officer of the Berks county court, a post he held until his retirement several years ago.

A son, a daughter, three grandchildren and one great-grandchild survive.

Would Outlaw "Reds" In Penna.

Harrisburg, March 15 (AP) — The House today considered a bill which would outlaw the Communist party in Pennsylvania.

Rep. John Mazza (R-Washington) introduced the legislation which would prohibit the party from circulating nomination petitions or to take part in any elections in the commonwealth. He also submitted a companion bill which would make it illegal for anyone to be a member of the Communist party in Pennsylvania.

Persons convicted under the proposed legislation would be liable to a fine of \$1,000 or a maximum of three years imprisonment or both.

Rosensteel, a member of Elias church is a resident of the home. Mrs. Ray McClellan became a member of the society. Mrs. McClellan and Mrs. Brown served refreshments in keeping with St. Patrick's Day.

More than 18,000,000 people gave a dollar or more to the 1949-50 fund raising campaign of the American Red Cross.

RED BLOC PAYS LESS AND TALKS MOST OF ALL UN

By DEWITT MACKENZIE (AP Foreign Affairs Analyst)

One of the most devastating analyses of the talk-fest regularly sponsored by the United Nations is presented with humorous undertone in the March issue of "United Nations World" magazine by Correspondent Peter Kihss.

A deluge of more than 660,000 words swept through the 50 plenary meetings of the U.N. Assembly alone in 1950. Of this stupefying flood 40.78 per cent came from the five-nation Soviet bloc—the championship record.

By contrast, the United States talked 4.49 per cent of this wordage. Having established these relative figures, Author Kihss pulls this rabbit out of the hat:

U. S. Pays Most
The Soviet bloc percentage of U.N. dues for 1951 is 10.18 as against the United States percentage of 38.92.

That seems to say that the Red bloc talks approximately eight times as much as America, and is assessed

roughly a quarter as much in dues. The reader can draw his own conclusions as to the significance of this financial computation.

And who is the champion talker? You are given one guess, and there will be no reward when you come up with the correct answer: Andrei Vishinsky, of course.

Russia's 67-year-old foreign minister long has ranked as one of communism's most striking orators. He first came into world prominence as a ruthless prosecutor in the blood-purge trials of 1936, 1937 and 1938. He would hammer defendants for hours and then demand death—a shot in the back of the head—for the "accursed vipers." These trials resulted in the execution of at least 117 prominent Communists, and the imprisonment of numerous others.

14,000 Useless Words
With that background of fearsome skill in the use of words, Vishinsky finally replaced Foreign Minister V. M. Molotov, who had been widely regarded as possible heir to Stalin's throne. This was two years ago, and the outside world still is debating the exact significance.

Anyway, Vishinsky packed his bag with words and came to the United Nations. In the 1950 parade of orators Vishinsky got in the longest single speech. This was in connection with a discussion of atomic control in a plenary session of the

Assembly. Vishinsky announced at the start:

"The significance of the question is much too great to allow it to be passed over in silence."

It wasn't, as Kihss appropriately remarks, Vishinsky forthwith launched into an exposition of 14,000 words. That was more than 51 countries produced in all the plenary sessions of 1950.

Norway, Sweden, Denmark and Iceland comprise the Scandinavian countries.

Commercially speaking, the Douglas fir is more valuable than any other tree.

PENNSY SEEKS HIGHER RATES

Philadelphia, March 15 (AP) — The Pennsylvania railroad thinks the increased freight rates approved by the Interstate Commerce Commission are not sufficient to meet increased costs.

The ICC yesterday boosted freight rates in the east four per cent and upped two per cent the rates on freight moving between the east and south and west.

ICC officials, in a statement, said road wage rates and material price levels have more than doubled since 1940 while freight rates on the aver-

age have increased about 57 per cent.

Calling for additional increases the PRR said:

"The railroads in fairness can't be expected to spend hundreds of millions of dollars for new equipment and other improvements to take care of increasing defense and general business needs unless they are able adequately to meet their costs and maintain their financial and economic soundness for the challenges of the present and future."

Both the highest and the lowest points above sea level in the United States are in California.

U. S. Department of Agriculture figures show there are now some 80,000,000 cubic feet of gross storage in 11,600 locker plants to handle perishable foods at zero temperatures.

TASTES SO GOOD YOU KNOW A WOMAN MADE IT!

The principal reported that show-
ers for the school have arrived but
they will not be installed until sum-
mer due to the fact that the work-
men at St. Joseph's college are to
busy to do this work now. A motion
was approved that the PTA check-
books and cards be loaned to the
baseball association for use at the
card party April 5.

The president asked the principal
to solicit the students of the school
for names of those willing to par-
ticipate in the minstrel to be given
by the members of St. Joseph's

Emmitsburg**2 COMMUNITIES
URGE ACTION
ON ROUTE 15**

A meeting to discuss and prepare plans for promoting the project of removing the hazards on Route 15 was held in Thurmont Monday evening. The organizer and promoter of this meeting was Edgar G. Emrich, a member of the Emmitsburg Grange roads committee.

The local Chamber of Commerce became the first Emmitsburg organization to take action requesting the removal or improvement of the "death" curves on Route 15. Following their action most civic organizations in the community took similar action and appointed committees to work for the promotion of the project.

With Ernest Hammaker as co-chairman, Mr. Emrich presided at the meeting which was attended by 50 men from the two communities. Both Mayor Saylor Waybright, of Thurmont, and Mayor Thornton W. Rodgers, of Emmitsburg, spoke briefly. State Trooper Kenneth Bond offered to open the records covering the accidents, including the deaths, damage and injuries that have occurred at the most dangerous curves. Dr. John J. Dillon, representing Mount St. Mary's college, stated that he was present in the interests of over 600 students together with all their families and friends that must travel this hazardous road going to and from the college. Frank Fitzgerald represented St. Joseph's college. Other local representatives included: Herbert Rodgers, of the fire company; John J. Hollinger, Lions club; Col. Thomas J. Fraley, Chamber of Commerce; Norman Shriver and Edward Smith, the Grange; Wales Rightmire, the

Mr. and Mrs. Howard Monihan and William Kepner, New Cumberland, visited a day the past week at the home of Mr. and Mrs. Carl Kepner and family.

Dale H. Kepner, stationed at Anacostia Air base, Washington, D. C., was on leave and visited his VFW; and Lumen Norris, the American Legion; similar organizations were represented from the Thurmont community and the Thurmont Women's club.

Howard Damuth, of Thurmont, and C. A. Fidler, of Emmitsburg, were chosen to act as secretaries for the meeting.

Unanimous action was taken to send a delegation representing the two communities to the office of the State Road commission with the "most urgent request possible" that Route 15 be improved and repaired "regardless of the prospects of any other road."

"There seems to be some suggestion that Route 15 is to be abandoned as a main highway with the building of a new highway sometime in the remote future. The entire group meeting at Thurmont Monday night was unanimous in the decision for urgently requesting that Route 15 be improved now," a spokesman said.

REDEDICATION OF REFORMED CHURCH EASTER

The Church of the Incarnation Reformed and Evangelical rang its new bell for the first time in a year Wednesday evening at 6:30 p.m. calling the members together for the regular Wednesday Lenten service at 7:30 p.m. the first worship service to be held in the new building by the congregation.

The church which was destroyed by fire February 26, 1950, has been completely rebuilt and is about ready for dedication which has been announced to take place on Easter Sunday, March 25, at 7:30 p.m.

A series of special services in connection with the dedication has been announced by the pastor, Rev. Edmund Welker, and the Consistory as follows: Easter Sunday evening, dedication service with sermon by the Rev. Gottlieb Siegenthaler of St. Matthew's Evangelical and Reformed, Baltimore, president of the Potomac Synod, assisted by the Rev. Paul Althouse, pastor of the Evangelical and Reformed church of Frederick, Md. Tuesday, March 27, Former Pastor's Night when the Rev. Dr. A. M. Gluck, pastor of the Reformed church of Martinsburg, W. Va., and the only living former pastor of the Emmitsburg church will be the preacher. Thursday night, March 29, Community and Special Guest night with the pastors of the local churches and Rev. Guy Bready of Lancaster taking part. The final service Friday night, March 30, will be a musical service featuring an organ recital.

The congregation of the Church of the Incarnation Reformed and Evangelical is one of the oldest congregations in this locality going back 183 years when it was organized jointly with the Elias Evangelical Lutheran congregation about three miles southeast of Emmitsburg. It has had a continuous existence and progressive history since that time. The lot on which the present building now stands on West Main street was purchased as Lot No. 17 in Emmitsburg in 1766, and the church building which was destroyed by the fire was erected in 1868-69 being dedicated or consecrated as it was then called, July 31, 1869, when the Rev. John M. Titzel was pastor.

A special highlight in the present celebration will be the dedication of the chancel in the new church to the memory of a former pastor, Rev. E. L. Higbee, made possible by contributions from churches in the area of the Potomac Synod.

S/Sgt. and Mrs. Glenn Glass have gone to Mitchell Field, N. Y., after spending a few days with their parents.

Mr. and Mrs. Clarence Baumgardner, Taneytown, visited Mr. and Mrs. Paul Glass Sunday afternoon.

Rehearsals are now in progress for the concert of St. Joseph's college and Mt. St. Mary's college to be given on April 26 in the new gym at Mount St. Mary's. Rev. David Shaum, Baltimore, is directing these rehearsals.

Mr. and Mrs. Albert R. Kelly and children, of Baltimore, spent several days with Mrs. Kelly's parents, Mr. and Mrs. Charles D. Gillelan, East Main street.

The Emmitsburg public schools' P.T.A. will hold a food sale Saturday at 10:30 a.m. at the fire hall, West Main street.

Miss Carol Ann Kelly, daughter of Mr. and Mrs. Albert R. Kelly had her tonsils removed at the Gettysburg hospital Monday.

The Women's Bible class of Elias Evangelical Lutheran church will conduct the refreshment stand at the John Keilholtz sale, near Bridgeport on the Taneytown road, on Friday.

A man whose normal weight is 150 pounds would weigh about 50 pounds if all the water in his system were dried up.

The average weight of the human brain is 43 ounces.

Down the Line with Johnny Bell

How to give a gopher a toothache
Lightning is a real hazard to buried cable in some areas. And so are those busy little fellows called gophers! To give better protection against all hazards, telephone engineers are building cable in a special way. First, a spiral wrapping of lead and heavy paper is placed over the original lead sheath. Next come several layers of steel tape. The various layers are flooded with asphalt, covered with jute, and flooded again with asphalt. This is enough to discourage even the most ambitious gopher!

When friends share . . .
Back in earlier days, "barn-raising" was the occasion for a "good time was had by all." Folks would gather at a neighbor's farm, and while the women prepared dinner, the men would help the farmer build his barn. Today, this friendly spirit of sharing pays off on the party lines. By keeping calls reasonably brief, and spaced out so that others may use the line in the intervals, telephone neighbors make possible better telephone service for all concerned.

Miles and miles of progress
Telephone pole lines constructed in the rural areas in Maryland in the last five years, if placed in a straight line, would reach 1,500 miles. More than 23,000 miles of open wire have been added. Also about 29,000 rural telephones have been added in Maryland to better serve this great state. The Chesapeake & Potomac Telephone Company of Baltimore City.

ONE GROUP IN HIGH BRACKETS IGNORING TAXES

Hollywood, March 15 (AP)—Been stewing and fretting, figuring and re-figuring to compute your income tax by today's deadline?

Then it will give you small satisfaction to learn that one group of wage earners—and they're in the upper brackets—haven't given taxes a thought.

They are Hollywood's acting animals—and you should have it so soft.

Lassie, for instance, which makes about \$50,000 a year, complacently munched a fillet of horse while his master huddled with an accountant in preparation for March 15.

It's The Owner Who Pays

How much does an individual animal have to pay? That's a toughie. Most trainers have scores of beasts. The biggest outfit, the World Jungle Compound, has more than 200, ranging from elephants to squirrels. Taxes are based on the owner's total income and are not broken down to show each animal's share.

Lassie, if he were human, male and single, would pay about \$23,000 on his income. (That's right, Lassie's a "he").

Billy Richards, a co-owner of the Jungle Compound, estimates his more famous charges would be in at least the 29 per cent bracket. He

said his biggest star, a chimpanzee named Tamba which died in a fire last week, was paid \$1,000 a week while working and he got a lesser sum between pictures "just for eating bananas."

Here are some other examples of how highly the movie industry regards its four-footed performers: in the \$600-a-week class are Jackie the lion, Dynamite the black panther, Satan the tiger and Sherry the puma. A racing camel gets \$100 a day. Lassie's stand-in, Laddie, draws \$150 a week. A leading man's saddle horse gets up to \$350, a trick horse \$450. Frosty, a trained gull, is paid \$30 a day.

These salaries aren't as big as they sound when you consider overhead. Animals eat the year around but work only a few weeks. Expenses for food, quarters, transportation and veterinarians are deductible.

Lassie's trainer, Rud Weatherwax, wishes animals could claim exemptions for children. "Lassie has sired about 200 pups," he says. "Think how much that would knock off my tax bill."

EVERY SEAL YOU USE HELPS CRIPPLED CHILDREN

protect your child against whooping cough

WORLD-WIDE in its distribution, whooping cough is endemic in large cities, becoming epidemic on a large scale every two to four years. The seriousness of pertussis, especially in young children, is evidenced by the mortality rate—about 26 percent in infants less than one year old.

Children should be vaccinated during the first year of life. Do not wait for an epidemic. It takes several weeks after vaccination for the body to produce antibodies. Ask your physician now about protection from whooping cough for your baby.

We carry fresh stocks of vaccine under refrigeration at all times.

Operators of telephone lines in Africa have animal troubles. Elephants toss the poles about, baboons do gymnastics on them and break the wires and one giraffe ran through a telephone line and carried the wire 200 yards.

Philadelphia, March 15 (AP) — Mayor Bernard Samuel says he will give full backing—in court if necessary—to his public safety director's dismissal of George F. Richardson as head of the city's detectives.

Samuel announced Tuesday that city solicitor Frank F. Truscott had been instructed to prepare an answer to a suit brought by Richardson to regain his command. Richardson, assistant superintendent of police, was removed as chief of detectives by Safety Director Samuel H. Rosenberg. The mayor said he was prepared to defend the action.

England's King is not allowed to enter the House of Commons.

FEW DISHONEST TAX REPORTS

Washington, March 15 (AP) — The chances are about 1 in 12 that the income tax return you must make as an individual by midnight tonight will be scrutinized to be sure you paid enough. That is, if you are in the so-called lower brackets.

If you are among those fortunate few whose income exceeds \$25,000 annually, the odds are even that federal agents will examine your return.

Internal Revenue Bureau policies with respect to checking returns were disclosed to the House Appropriations committee during hearings on the 1952 treasury appropriation bill. The committee made them public today.

Here's what bureau officials said: On returns of from \$7,000 to \$10,000, examinations are made of 8.66 per cent; from \$10,000 to \$25,000, it's 17.2 per cent; \$25,000 to \$100,000, the percentage is 58.1; on \$100,000 and over, 85.4 per cent are examined. Those are figures on checks of 1948 returns.

On returns of \$25,000 and over, the examinations have disclosed that 7 out of every 10 have been in error; so, starting this year, every return in the big-bracket group will be audited once every two years. All returns, regardless of size, are "scanned" for mathematical errors.

All in all, said G. J. Schoeneman, head of the Internal Revenue Bureau, at least 95 per cent of American taxpayers are honest and "will discharge their obligations if they know what they are." He added, "The errors they make are not dishonest errors."

Washington, March 15 (AP) — The Interstate Commerce Commission has authorized the railroads to make a quick increase in freight rates ranging from two to four per cent. Acting on the rail car-

Appeals Suspension After Arrest Here

John Milton Davis, of Blue Ridge Summit, has filed an appeal in the Franklin county courts from action of the state Department of Revenue in suspending his driving privileges for a 90-day period on a charge of speeding.

Davis, in his appeal petition, noted that state police filed the speeding charge before James H. Brinton, justice of the peace of Berwick township, Adams county, last April 22. Following a hearing the squire adjudged Davis guilty and the defendant posted \$27.66 bond pending a court appeal.

Before the appeal was perfected, however, the complaint, continues, the justice of the peace subtracted \$13.83 from the bond posted by Davis. This he retained as payment of fine and costs in the case. The remaining \$13.83 of the bond was returned by mail to Davis.

Davis subsequently was given a riers' plea that they require immediate higher charges on account of advancing operating costs, the commission issued a permit for a four per cent hike in eastern territory, and two per cent in southern and western territories.

Washington, March 15 (AP)—House Speaker Sam Rayburn (D.-Tex.) has thrown his influence against the rising demand in Congress to kill the Reconstruction Finance Corporation.

Rayburn told a news conference the RFC has done "a remarkable job" of great benefit to small business. He said pressure to get rid of the big lending agency is due largely to its low interest rates on business loans. He didn't say where the pressure is coming from.

Littlestown DIES' GROUP HOLDS MEETING

The March meeting of the Ladies' society of Redeemer's Evangelical and Reformed church was held last evening in the social hall of the church. The meeting opened with the group repeating the Apostles' Creed followed with the scripture reading, Matthew 13:1-8, by Clement A. Sneeringer. Group singing was held with Mrs. Samuel Iginbotham, as piano accompanist. There was responsive reading of the daily Lenten devotion, "A Deeply Rooted Fellowship," by Mrs. J. E. Reaver. Bette Reaver read the "Bells of Easter" by Esther Swann. Two piano solos were given by Barbara Swann.

The business session was in charge of president, Mrs. John W. Le. Reports were given by treasurer, Mrs. Reaver, who also acted as secretary in the absence of Mrs. E. Reynolds. Final plans were made for the group to serve the annual spring banquet this evening at 6:30 o'clock in the social hall of the church. The society will also plant palms for the church during this Sunday. The ladies solicited the members of the church for donations for the annual market to be held Saturday, March 24, beginning at 9 o'clock, in the storeroom, East King street. Discussion was held concerning society helping to remodel the church kitchen. The committee in charge of this matter is composed of Mrs. Wilbur A. Bankert, Mrs. J. E. Reaver and Mrs. Richard M. Baner. No definite plans were made concerning the matter. The

RADIO ENGINEER KILLED IN CRASH

Elizabeth, N. J., March 15 (AP)—A night engineer for station WOR-TV died yesterday shortly after his car jumped a safety rail and hurtled into a truck on Route 29 in a heavy rainstorm.

Police said the engineer, 32-year-old Jerome E. Kenmore, of Springfield, was driving home from work when the accident occurred around 5 a.m. in nearby Hillside. He died in Alexian Brothers hospital here.

Police quoted the truck driver, Joseph Acacia, 35, of Wilkes-Barre, Pa., as saying he was unable to avoid the collision.

Department of St. Paul's Lutheran church will have rehearsal for the Easter program this evening at 7 o'clock, at the church.

Jack Dempsey held the heavyweight boxing crown for seven years.

PROTECT LADYBIRD BEETLES

Every farmer and gardener recognizes the well known but often maligned ladybird beetle, sometimes called Lady Bug. It is a small, hard-shelled, roundish beetle, dark to brilliant red in color, and marked with black dots on its wing covers. So useful is this inconspicuous friend of farmer, orchardist, vegetable gardener and flower grower that it is here made the subject of an appeal to gain protection for it at the hands of every person, young and old, rural and urban.

Among falsehoods which are largely responsible for public neglect to give this little friend the protection it so amply earns is the fact that it is often found where plant lice infest ornamental and food plants. Without a semblance of evidence to support the assumption, somebody started the rumor that the Lady Bug (or ladybird beetle) is the parent of plant lice. How far this is from the truth is better understood when it is stated that the beetle feeds almost exclusively on plant lice. That and that alone is the reason why it is found so frequently where lice infest plants. An adult Lady Bug consumes from 50 to 80 aphids a day.

Another rumor that has not favored the gardener or farmer welcoming this ally is more recent in origin. The Mexican bean beetle, as most gardeners well know, is a copper-colored beetle, easily identified by 16 black dots on its back, light on each wing cover. On the basis of evidence no more reliable than this, despite the fact that the Lady Bug is red and not copper-colored, that she does not have 16 dots on her back, she has been accused jointly with the Mexican bean beetle as a destroyer of beans. This charge is, of course, as false as the first accusation mentioned and somewhat more unjustified because even guilt by association is not provable.

Research over recent years has brought out the information that Lady Bugs live in colonies over winter, preferably in littered fence rows and similar brushy or weedy areas. From these "caches" they apparently separate in the spring and migrate to fields and gardens where early plant lice are already offering "free meals" to the busy little red creatures. And by the way, the services thus rendered in crops saved can scarcely be judged.

Just how costly to American agriculture has been the gradual elimination of the old staggered rail fence and the substitution of post-and-rail and other more modern fences cannot be computed. And

mies exact. It is long past the time we should recognize our allies.

NOTES ON GROWING GARDEN PEAS

No other vegetable expresses so realistically the fresh and luscious goodness of home gardens as early green peas. The city-born adult cannot fully comprehend this truth. He or she has never tasted peas in their native flavor and texture unless they have been eaten within two hours or less after the well-filled pods have been picked from dewy vines and moved directly on via the stove to the dining room table.

To gain the maximum benefits in growing peas for table use, the first planting should be made as early in March as soil and weather conditions permit, certainly not later than the middle of the month. Here is where an ample supply of dry rich loam, stored the previous fall, comes in handy. For even if the garden soil is a little on the wet side, dry loam kept indoors over winter can be strewn along the rows to dry the soil out enough to permit planting at least a few extra early rows.

The second step in gaining the full value from fresh garden peas is to make successive plantings every three weeks until late summer. Being distinctly a cool-weather vegetable, peas may not thrive dur-

ing July and early August, but they should be stressed in both the early and late garden program.

Garden peas belong to the legume family of plants—alfalfa, clovers, peanuts, sweet peas, beans and many others. With few exceptions these crops demand deeply, mellow, well drained loams that contain plenty of moisture-holding organic matter. It is not uncommon to find pea roots 4 to 6 feet long, thereby proving the futility of attempting to grow peas on shallow, hard soils. And commercial fertilizer will not correct such defects. If manure is available, it should be well rotted and should be turned under to a depth of at least 12 to 14 inches. Fertilizers should contain a fairly high percentage of phosphorus (shown by the middle number of the formula), something near a 4-12-4 mixture, at the rate of 2 to 4 pounds per 100 square feet, broadcast and worked into the top soil before planting time. In addition, if grow-

ing is slow after peas are 3 to 6 inches high, one to three side dressings with nitrate of soda is recommended at the rate of about one pound to 60 feet of row.

Early peas are not injured by light frosts. But of course, if severe freezes threaten after plants appear, covering with heavy paper, canvas or other suitable protection is advisable.

Plant seed fairly thick in the row to insure a uniform stand and later thin plants to a stand 3 to 4 inches apart. Taller growing later sorts should be given more room.

It is not advisable to cover seed deeper than 2 inches, especially if the soil is heavy. Some sand mixed with the covering soil or fine compost strewn along the surface or mixed with the soil will aid in preventing formation of a surface crust to hinder the emergence of somewhat fragile seedlings.

Like many other plants, peas cease to bear when pods are allowed

to ripen on the vines. Therefore, to prolong the bearing season it is wise to keep filled pods harvested promptly before they pass beyond the edible green stage.

Inconspicuous green lice are likely to attack peas early. They should be killed off before they become numerous and before they have weakened the plants by their sap-sucking. A spray of nicotine sulfate in soapy water or a fresh nicotine dust is effective, providing the insects are liberally coated.

Harrisburg, March 15 (AP) — Rep. William McMillen (R-Indiana) told the House that Pennsylvania lost \$7,952,000 through relief "chiseling"

during 1949. McMillen called for immediate action to cut down on what he called "relief chiseling in Pennsylvania." McMillen, in his speech, did not refer directly to published reports that the joint State Government Commission found a similar amount of "overpayments" to relief recipients in 1949.

FIGHT DUE IF POWER OF NLRB IS CURTAILED

By JAMES MARLOW

Washington, March 15 (AP) — The National Labor Relations board (NLRB) seems to have been forgotten in the big to-do about setting up a new Wage Stabilization board (WSB).

NLRB won't be forgotten long if any real attempt is made to take away its powers and hand them over to a new WSB. The explosion in Congress is certain to be long

and emphatic.

WSB was set up to stabilize wages, to keep them controlled and in line with controlled prices, during the defense program. This board of nine men was to serve under Eric Johnston, economic stabilizer.

Three of its nine men represented labor, three represented business, and three represented the public. The board blew up a couple of weeks ago when the three labor members walked out.

They were sore about the wage policy agreed on by the other six members: That employers would be able to give general wage increases of no more than 10 per cent above what the pay was in January, 1950.

As part of the price of going back to the board — it can't do business without them very well — labor is

reported to have demanded that Johnston do a couple of things:

- (1) Create a new board of 18 members, with six each representing the public, business and labor; and
- (2) give the board authority over a far wider field than just wages.

Oppose Wider Powers

Business leaders said late yesterday the first was all right with them but not the second. And still later Johnston said he wouldn't try to set up a new WSB unless it was generally acceptable to both business and labor.

At first glance it might seem not brand new for a board like WSB, set up only for the life of the defense program, to have control over wages and other problems between employers and employees.

During World War II a similar board — it was called the War Labor board — had similar powers and used them throughout the war. At that time there was a permanent board which was supposed to handle labor disputes. It was the NLRB.

But the WSB usurped a lot of NLRB's authority. It could do so then and get away with it for this reason:

Between 1935 and 1947 there was only one big labor law on the books, the Wagner act. It was very simple: All it really said was that an employer could not refuse to bargain with a union of his employees, for if he did he'd be committing an unfair labor practice. Nothing was said about unfair labor practices by a union.

And Congress set up the NLRB to see that the Wagner act was lived up to. The law itself didn't spell out NLRB's duties very well. NLRB had to make its own rules pretty much as it went along.

So when the War Labor board stepped in and took over a large part of NLRB's work, there wasn't much outcry. But it's different now because the powers of NLRB are not only different but are written out in law.

That's because in 1947 the Republican-controlled Congress put a brand new labor law on the books, the Taft-Hartley act. It outlined certain things which it said would be unfair for an employer to do. But, for the first time, it also listed a number of things which a union couldn't do without committing an unfair labor practice. And NLRB was to be judge over both.

So the present NLRB has wide authority in many directions, all of it spelled out in the law, which the old Wagner act never did for the old NLRB.

President Truman doesn't like the Taft-Hartley act. Neither do labor unions. Both have striven with Congress to get T-H knocked out. Both have failed so far.

Therefore, you can foresee the outcry from Congress if Johnston or anyone else, like the President, now tried to create a new WSB with authority to cut into NLRB's authority.

Up to this time neither Johnston nor anyone else concerned with try-

Harney

Harney—This Sunday morning at 9 o'clock at St. Paul's church there will be an Easter program by the Primary department. Holy Communion at 10 a.m. Lenten service on Thursday and Friday evening of this week at 7:30 o'clock.

Mrs. Elmer LeGore, near Harney, spent several days last week in Baltimore with friends. She was the house guest of Mr. and Mrs. J. Frank Swain and Mrs. Ella C. Null. Mr. and Mrs. Fred Shriver, Harney, and Mr. and Mrs. Charles Shriver, Gettysburg, visited Sunday at the home of Mr. and Mrs. George Shriver.

The annual covered dish social of the Ladies Aid society of St. Paul's was held Friday evening in the parish hall. After supper was served to all the ladies, their families and friends, a social hour was held.

The entertainment began with all untiring singing "When Irish Eyes Are Smiling," followed by a monologue, "Aunt Myra's Voyage," Miss Ruth Stambaugh; solo, "Dear Hearts and Gentle People," Wayne Fissel accompanied by Mrs. Ralph Weikert; monologues, "The Toothless Old Maid" and "My Family,"

ing to set up a new WSB, acceptable to labor and management, has talked with any members of the NLRB about the kind of authority which might be given to WSB without interfering with NLRB's authority under law.

Arlene Naylor.

The secretary called the ladies' names as they in turn guessed their secret sisters. After this packages for St. Patrick's Day were given out and each member received a new name.

Samuel D. Snider and sister, Ruth, had as visitors Sunday evening, Mr. Montgomery, Mrs. Ona (Menche) Reeve and friend, of Baltimore Md. Mr. and Mrs. Earlington Shriver visited Sunday evening at the home of Mr. and Mrs. Marshall Cleveland, near Gettysburg.

Mrs. Ella Menche, a former resident of Harney died Sunday morning at her daughter's home in Baltimore.

Graveside services will be held in the Lutheran cemetery this afternoon.

Mrs. George E. Shriver is soliciting for the Red Cross in Harney.

The annual egg hunt will be held Palm Sunday afternoon at 1:30 at

the Parish hall. All children of the Primary department are invited.

Mr. and Mrs. William Orner and son, Larry, and daughter, Beverly Ann, of Gettysburg, visited Sunday afternoon at the home of Mr. and Mrs. Dewey Orner.

The Lions club of Taneytown will be served a roast beef banquet this evening in the Lutheran parish hall. Mrs. Lake Ridinger is chairman of the supper committee.

The Harney Ball club will hold a

public party this Friday night in the Harney theater.

Mr. and Mrs. Lake Ridinger and sons, Billy and Jimmy, and daughter, Thelma, near Harney, visited Monday evening at the home of Mr. and Mrs. Frederick Ray Cobb.

Mr. and Mrs. Charles Shriver, Gettysburg, visited Sunday afternoon at the home of Mr. and Mrs. E. P. Shriver, near Harney.
